COCKTAILS

The background of the menu is a vibrant collage of tropical elements. At the top left, there's a slice of pineapple. In the upper right, a tall glass contains a light-colored cocktail with ice and a garnish of yellow fruit. Below it, a coconut is cut open, showing the white flesh, with a white and yellow flower on top. To the left, a pineapple is used as a vase for a drink. In the center, a small monkey is perched on a branch. At the bottom right, a glass with a pinkish-red drink and a salted rim is shown, surrounded by lime and orange slices and a Bird of Paradise flower. Large green leaves, including a Monstera, are scattered throughout the design.
